

Autostrade per l'Italia (ASPI) Group

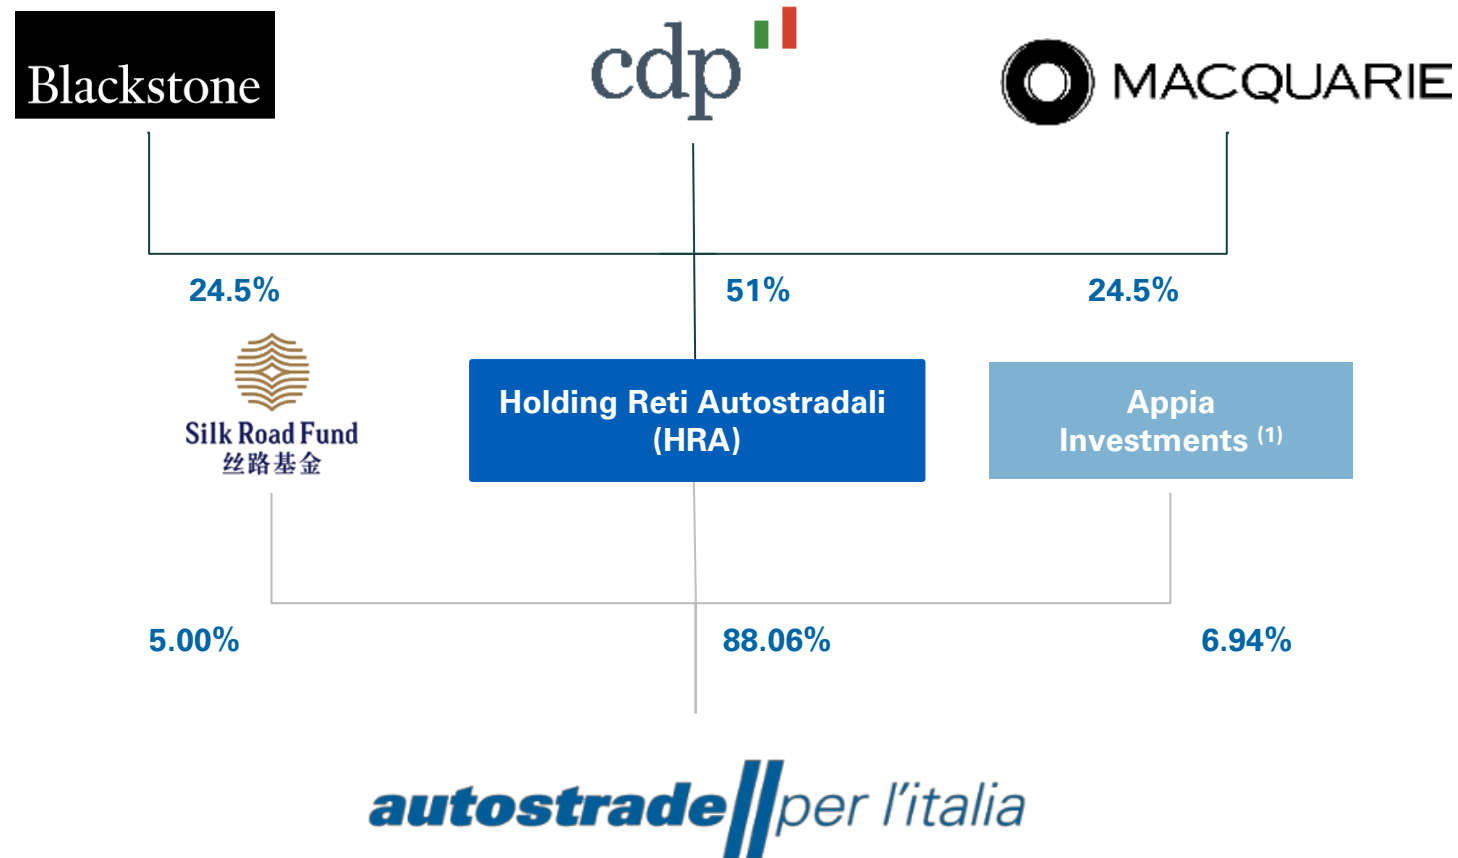

Call Module 1 Data spaces and Interoperability
Clean Energy Transition Partnership – B2MATCH

28th June 2024

New Corporate Structure

HRA is a long-term focused, stable and reliable ownership group comprised of leading local and global infrastructure investors that will shepherd ASPI through its next phase of development.

(1) Investment vehicle owned by: Allianz Capital Partners (60%), EDF Invest (20%), DIF (20%).

An aerial photograph showing a complex highway interchange with multiple overpasses and ramps. The highway is surrounded by a dense forest with autumn-colored trees. To the right, a small village with several buildings is visible, along with a road that curves through the landscape. The overall scene depicts a blend of infrastructure and nature.

VISION

Creating economic and social value for the country, through investment in infrastructures, able to offer mobility services that make the travel experience unique and allow the development of the territories.

MISSION

Making mobility increasingly sustainable, safe, innovative, efficient and responding to the present and future needs of the Company and its communities.
